## VENTED LOG SETS:

Lively flames and a large ember bed highlight the handcrafted logs, adding efficient heat and unmatched beauty to any fireplace. Featuring the exclusive three-tiered Isoflames Stadium Burner and log set options: Weathered Oak or Birch.

**Available Sizes: 24" & 36"**

**Birch**

**Weathered Oak**

## APPLICATIONS:

- Indoor
- Natural Gas
- LP (Liquid Propane)
- B-Vent Chimney
- Combustible Floor Installation
- Custom Finish

Opening heights sure to make a true statement in any living space with Isokern's **Bvetto Series**.

Transform your space with opening heights of up to 52". The versatile Isokern Bvetto fireplace is the only field assembled, modular refractory, gas only, top-vented appliance on the market today. It can be installed directly onto a combustable floor, while still meeting ANSI guidelines.

Complete with our quick-fire ignition system, the Isokern Bvetto requires our proprietary Isoflames Bvetto Burner and log set.

# Specifications

**Please Note:** Different height options are available for the Bvetto fireplace. One additional backwall and two additional sidewalls can be added to obtain an opening of 42" tall before brick is installed. Two additional backwalls and four additional sidewalls can be added to obtain an opening of 52½" tall before brick is installed. Only Isoflames log sets can be used in this unit.
